This decision came from the Administrator himself.

Thanks Mark...so this means that we would plan for six people coming in early in the morning, being off that day, and then taking an additional rest day. Just an FYI – other visitors (CODELS, STAFFDELS, and agencies) have used the first day as the rest day and then start meeting with people the next day. Just something to mull over, since costs are being scrutinized.

I hope you're having a good w/e! I'm sadly at work preparing for next week. Since no one is home at OSTP, a State OES Office Director and I are going to the Science Sherpa meeting tomorrow.

Cheers, [Ex. 6 - Personal Privacy]

Just checked with Administrator's security and they will require armored car for Administrator. They normally have the usual transportation package for staff, luggage, security upon arrival for everyone in the bubble.

Hi team EPA, Here are the Rome cost projections for Wed. – Fri. + the Saturday. Not it does not include the airport pickup on June 5. If the Administrator and his family would like to use "Queen Limosine", the service we use, we can arrange that and they'd pay 50 Euro in cash. Likewise, we can arrange that service for incoming staff. If the Administrator/DS advises that an armored car should be used on June 5, please let us know.

Hi Ex. 6 - Personal Privacy The EPA Administrator will be here in June. He'll be in Rome, and then in Bologna for G7. Lee confirmed that the Italians are providing armored vehicles in Bologna, but he'll have Wed.- Friday + airport transportation on Sat. in Rome. Who do we go to for that estimate? We anticipate six visitors and likely three embassy staff. Thanks, Ex. 6 - Personal Privacy

Thanks [Ex. 6 - Personal Privacy]. Are we still expecting vehicle rental charges to come in, or is Embassy covering these?

Hello Washington friends,

1. Here is the revised budget that includes Public Affairs. They would go one day in advance before the rest of us to set things up.
2. Great news on the food event front! The Minister agreed to a Saturday afternoon food event in Bologna.
3. [REDACTED] Ex. 6 - Personal Privacy the Foreign Service National Investigator (FSNI) in Florence, will be the FSNI lead for the Administrator's protective detail. You can communicate with RSO [REDACTED] Ex. 6 - Personal Privacy and [REDACTED] Ex. 6 - Personal Privacy about security, including trains.
4. Later in the week, Lee will be sending out invitation and call-in information for the scheduled calls. We've shifted the Friday April 14th call to April 13th.
